Dedication

With a sense of gratitude and regret we, the senior class of the Dixon High School, pass out of this portal which has received us for four years. This structure is the crystallization of the educational ideals of our community to make better citizens in the more effective training of body, mind, and spirit. We pledge our loyalty to our school, housing in stone and mortar the aspirations of its founders and supporters. We recognize and deeply appreciate this challenge to greater achievement given us by so noble a symbol of unselfish devotion.

The Faculty

Without the members of our most capable faculty, the Senior Class of 1934 could not have attained its goal of graduation. They have acted as both teachers and friends whenever the occasion demanded, and have helped to inspire us to higher ideals. The ready co-operation of the faculty in all of our plans encouraged us to feel more competent and sure of our ability.

Dixon High School is most fortunate in having such a well-versed group of teachers who plan their time that they may spend more of it with the students, an arrangement which gives pleasure and improvement to all concerned. Therefore we are more able to face life after graduation as a result of such contact with our instructors.

We who graduate are loathe to leave the companionship of the faculty with whom we have been so pleasantly associated for four years. Our appreciation of what the faculty has done for us is deeper than one is able to realize; thus it is with humbleness that we express our gratitude to the faculty of Dixon High School.

The faculty has co-operated with the directing of plays, and the organization and sponsoring of clubs and societies. The organi-

zations sponsored by members of the faculty are: Home Economics Club, Hi Tri, Public Speaking Club, Latin Club, French Club, The Dixini, Freshman-Sophomore Literary Society, Commercial Club, Dramatic Club, Mathematics Club, "D" Club, and Senior Boys Club. They have also helped in the directing and presenting of the junior and senior plays, our two major productions.

The members of our faculty are: A. H. Lancaster, Superintendent of Schools; B. J. Frazer, Principal; Dorothy Armington, English; Camilla Kinsella, Commercial Courses; W. S. McColley, History; D. C. Austin, Manual Training; Margaret Kling, Commercial Courses; L. E. Sharpe, Athletics, Science; A. C. Bowers, Director of Athletics, Science; Marion Lawson, Music; Generose Weaver, English; Edna Burnham, Mathematics; Freya Lazier, French, Latin; J. N. Weiss, Agriculture; Olive Cotta, Home Economics, General Science; C. B. Lindell, Athletics, Social Science; Ruth Wienman, English, Latin; Olga Eneroth, English; Irma Newman, Mathematics; Florence P. White, Biology; E. Louise Guernsey, Art; Alice Richardson, English, History; Clea White, Home Economics; Edith Heinle, Librarian, Mathematics; Myrtle Scott, Social Science; Orville Westgore, Music; and Kathryn Wright, History.

Don't you find Earl Ryan cool?

SENIORS

MARY DAVIES—Ah! What a charmer! With her slow drawl, her snaky movement, she lures all the males.

EARL RYAN—One of our thoughtful students who says little but accomplishes much. Earl's quiet manner has won him many friends.

EDWARD O'BRIEN—Eddy is always full of pep and ready to go. If you want to know the latest "news", see Eddy.

WILLIAM PONTIUS—"Bill" is the Tony Sarg of Dixon High School. He is a puppet-maker, modeler, and general artist.

ADA SMITH—Ada is one of the worthy members of the senior class, whom the student body (sad to say) loses this year.

CARL SCHAEFFER—Carl is one of our students from Harmon. He is a hard worker and an all around "good fellow."

BERNICE SCHILDBERG—Tiny and petite but big-hearted, Bernice "goes" in a big way for one of our track stars.

WALTER MINNIEHAN—Although small and unassuming, you would never guess that "Minnie" is one of our football heroes.

ELMA McCARTER—Elma transferred from Harmon and came to grace our school, and was liked immediately.

WILLIAM FISCHER—"Bill" will be a handy man for some lucky woman to have around the house in future years.

ETHEL NOBLE—Ethel is a quiet, unassuming, and hard working student who gained many friends during her high school career.

ROBER WADSWORTH—Ever anoptimist, "Bob" has a strong determination and if he sets out to do anything he does it.

LUCY LAWTON—Lucy has the happy faculty of packing away knowledge. She is one of those foreign language students.

ROBERT THOMPSON—"Scotty" is one of the reasons why chemistry teachers go mad! Ask Mr. Sharpe!

JUNE BOST—June is a jack-of-all trades, chemist, dramatist, and user of big words.

DARLENE OSTRANDER—Where, oh where, is Darlene's gum? Probably beneath her tongue. It's always somewhere in her mouth.

GILBERT STANSELL—Not only does Gilbert stand out in dramatics, but he is also quite a track star!

DOROTHY IREY—That laugh of Dorothy's is enough to drive the average man mad. How mad? Who knows?

*She goes with Jack
Good luck a Bernice!
Betty!*

*Lucy always
Lucy!*

Hurray! It was our first day of high school! With childish faith we entrusted our lives to the keeping of our homeroom advisers, the Misses Weaver, Scott, Arm-

ington, Kling, Heinle, and White, who were destined to guide our footsteps toward the fountain of knowledge for three years. As green freshmen we wandered open-

CLASS OFFICERS

The election of the officers of the four classes for 1933-34 proved to be an exciting race, especially in the junior class, where a prominent couple nearly tied for the presidency. Of course the woman won; they always do. A quite unusual occurrence was the election of all girl officers in the junior class. Just another example of the dominance of womankind! On the other hand, the freshmen leaned toward the trusty male and elected all boy officers. The officers of the sophomore class gained their respective positions by a "Small majority," as they say in the political world; the president and vice-president each having won by one vote and the secretary-treasurer by two votes. Thus the Class officers for 1933-34 are the following:

ORGANIZATIONS

HI-TRI

The Hi-Tri was an organization of all senior girls. Its chief aim was to promote loyalty and friendship throughout the school and to elevate the moral standards of each member.

Meetings were held every Thursday morning and varied programs were given. The main events for the past year were the banquets held monthly, the Kid's Party, and a tea.

SENIOR BOYS' HONOR CLUB

The Senior Boys Honor Club is composed of boys who have the required number of points for entrance. These points are obtained through scholarship and participation in extra-curricular activities.

The programs this year were both of an entertaining and educational nature and banquets were held at intervals.

The club operated under the able supervision of Mr. McColley.

AGRICULTURAL CLUB

The local chapter of the F. F. A. completed a successful year under the leadership of Mr. Weiss.

The purpose of this club is to practice brotherhood, to participate in rural opportunities, and to develop qualities of leadership.

The club enjoyed several social functions during the year, the most outstanding being the Father and Son Banquet.

The club was headed by President Fred Benson.

VOCATIONAL FAIR

The Vocational Agriculture Fair, one of the interesting and educational projects under the F. F. A., was held in Dixon this year under the supervision of Mr. J. N. Weiss.

Fifteen high schools out of nineteen in the

northwest section of Illinois exhibited. Three hundred eighty-one entries were made in the following divisions: yellow corn, white corn, wheat, oats, potatoes, poultry, and eggs.

YEAR BOOK STAFF

This year the Year Book has endeavored to put out a year book featuring the seniors, but of equal interest to the under classmen. The work involved in producing a successful book requires the co-operation of the student body

with the staff. As a result of their efforts, they present this Senior Year Book of 1934, planned, promoted, and edited by members of senior class.

DIXINI STAFF

Many notable improvements were made in the Dixini during the year. The increase in size and change of paper were among the most important. Illustrations scattered throughout its contents have added much to

its attractiveness. A sincere endeavor was made by the staff to present the students with a better, more readable Dixini. The co-operation of the students was of much aid to them in making the Dixini a possibility.

ORCHESTRA

Once a week the music room became "Orchestra Hall," and Mr. Westgore conducted a rehearsal of the Dixon High School Orchestra.

The orchestra "played" an important part in life at Dixon High. This year it supplied

a concert for the Woman's Club, music for the Teachers' Convention, preludes are intermissions for the junior and senior class play, and an accompaniment and special selections for the cantata, "The Mound Builders."

PEP COMMITTEE

Pep! That single word denotes the purpose of the Pep Committee. It adds zest and flavor to our general assemblies by procuring talented students and also outside talent for assembly programs. The members of this organization represent each of the four classes,

so that the interests of all are taken into consideration. They are: Junior Blimling, chairman; George Curtis, Earl Nolan, Mary Davies, Rita Tofte, Betty Haines, and Wilbur Hart.

FRESHMEN-
SOPHOMORE
GIRLS' GLEE CLUB

JUNIOR-
SENIOR
GIRLS' GLEE CLUB

The buzz and hum of sixty-two voices of upper classmen (or fifty-six of lower classmen) swells into unified song under the directorship of Miss Lawson on Mondays and Wednesdays for juniors and seniors, and Tuesdays and Thursdays for freshmen and sophomores, at 3:30 each week. Semi-Classical songs ring through the cafeteria, accompanied by Alice Street.

In February tenors and basses were added to the sopranos and altos, as the boys joined with the girls in presenting a cantata, "The Mound Builders." This cantata did much to forward the progress of the glee clubs. Attention was concentrated on the singing instead of being divided between singing and speaking as was the case in the operettas formerly given.

Besides its regular meetings the girls' Glee Club has furnished special numbers for school projects. A group of 9 members entertained the Teachers' Institute in the fall, and a trio composed of Winnifred Rawls, Betty Nichols, and Genevieve Reitzell represented the school at the Lee County Teachers'

Meeting at Amboy. This trio also served as the advertisement for the cantata by singing an Indian Love Song in costume before general assembly. The entire Glee Club and a chorus composed of Winnifred Rawls, Cleo Thurm, Winnifred Johnson, Betty Nichols, Marion Emmert, Katherine Scholl, Marcella Burmeister, Marion Quaco, and Genevieve Reitzell provided music for commencement, while the combined girls and boys united in song at baccalaureate. Of course the Junior-Senior Banquet would not have been complete without a few musical numbers by members of the Glee Clubs.

Each year it seems that applications for a place in the Glee Club descend upon Miss Lawson in flood and this fall was no exception. Many applicants especially freshmen are turned away because of lack of room, but the Glee Club is rapidly assuming the proportions of a chorus. The members' ability to read notes and the quality of voices, are improving so rapidly that Miss Lawson hopes to enter the State contest next year.

JUNIOR-
SENIOR
BOYS' GLEE CLUB

FRESHMEN-
SOPHOMORE
BOYS' GLEE CLUB

The low rumbling of masculine voices has issued from the music room each Tuesday and Friday morning from the lusty throats of the juniors and seniors, on Monday and Wednesday from those of the freshmen and sophomores. This harmonious rumbling was the Boys' Glee Clubs practicing industriously under the very able directorship of Miss Marian Lawson.

This year these musical organizations presented varied programs in the general assemblies throughout the school year. In the spring they joined ranks with the Girls' Glee Clubs in presenting an Indian Cantata, "The Mound Builders," which proved a highly successful production. Harold Goeke and Francis Henry served as interpreters in this cantata. The boys' and girls' glee clubs again combined in the songs for the baccalaureate exercises. Special numbers were also prepared for the commencement program, June 1st.

Since sports claim many of our masculine songsters applications to join the glee clubs are less numerous among the boys than among the girls. In spite of this fact the freshmen, sophomore club originally numbered thirty-four, and the junior, senior group was composed of twenty-nine members. The enthusiasm

and interest of this comparatively small group is however to be commented in that it stimulates the greater appreciation of music throughout the school. An opportunity for the development of individual talent is also afforded and this year gave rise to the formation of a quartette composed of Francis Henry, Fred Padgett, Harold Goeke, and Harry Lazier. This group presented several programs in the various home rooms.

Junior-Senior Boys' Glee Club—Louis Salzman, John Ortgiesen, Howard Hawkins, Glenn Flaningam, Donald Barnhart, Vernon Swan, Harold Goeke, Howard Cinnamon, Eugene Gronewald, Kenneth Reese, James Withers, Francis Henry, Harry Lazier, Robert Straw, Leon Morton, Herbert Auman, Hubert Auman, Anthony Bevilacqua, George Bishop, Fred Padgett, Robert Wadsworth.

The Freshmen-Sophomore Boys' Glee Club—Lamar Wells, Louis Schumm, Robert Stitzel, James Hey, Richard Jesse, Dick Durkes, Robert Evans, Robert McCrystal, Arthur Klein, Lynne Jenks, William Schuck, Leslie Marshall, Sidney Sinow, George Miller, Raymond Callahan, Steven Berei, Leroy Dunphy, Russell Brown, Carroll Cuppy, Wilbur Schick, Robert Williams, Lawrence Daugherty, Quentin Tucker.

COMMERCIAL CLUB

The Commercial Club, an organization for all students of typing, bookkeeping, and shorthand, held its meetings once a month in the music room.

A speaker was always obtained to talk to

the club along the line of a commercial business.

Miss Kling and Miss Kinsella were the faculty sponsors of this club. The club was headed during the year by presidents Francis Henry and George Curtis.

MATHEMATICS CLUB

Mathematics Club was organized to carry the student's interest in mathematics outside of the class room.

Meeting once a month, programs were given on architecture, engineering, and other

vocations that require the use of mathematics.

Under the direction of Misses Burnham and Newman the club also engaged in social activities at different times during the school year.

SOPHOMORE LITERARY SOCIETY

The Sophomore Literary Society held its meetings in the music room once every month.

The programs this past year were centered around particular holidays or national events.

The faculty sponsors for this year were

Miss Scott, Miss Cotta, and Miss Weaver.

The officers were: Emily Swan, President; Georgiana Shaw, Vice-President; Leslie Marshall, Secretary-Treasurer; and Louis Schumm, Sergeant-at-arms.

HOME ECONOMICS CLUB

The Home Economics Club has finished another successful year and has maintained its place among the important extra-curricular activities of the school. Girls who have taken cooking or sewing are eligible for membership.

The purpose of this club is to stimulate an interest in being worthy home members.

Besides the regular monthly meetings, the club enjoyed several social activities.

PUBLIC SPEAKING
CLUB

DEBATE
CLUB

The Public Speaking Club was reorganized this year under the name of the House, and a new constitution was drawn up. The Club under the direction of Mr. McColley was run on a somewhat different principle than in the past. Instead of spending all the time on debates, the programs were varied to include musical numbers, debates, prepared discussions, and a mock trial. The rules of parliamentary law governed all meetings.

The Club met every Tuesday at 3:30 and anyone interested in public speaking was eligible for membership. The aim of the Club was to help people get practice in appearing before a group. Officers were elected each semester. The officers this year were:

First Semester

EARL NOLAN	<i>President</i>
MARY DAVIES	<i>Clerk</i>
EUGENE GRONWOLD	<i>Sergeant-at-arms</i>

Second Semester

HERMAN KOEPPPEL	<i>President</i>
WINIFRED RAWLS	<i>Clerk</i>
GILBERT STANSELL	<i>Sergeant-at-arms</i>

About forty members came out for Debate Club this year. This group formed the basis for the selection of a debate team to represent Dixon High School in inter-scholastic debating. Everyone in the Club was assigned to a team and given a chance to debate before the Club. On the merits of the debates before the Club, a group of twelve was chosen to work more intensely on debating. From this group two teams were selected to go to the District Debate contest. Letters were given to those taking part in the District Contest. The teams were as follows:

LATIN CLUB

FRENCH CLUB

Numerous characters from Caesar, Cicero and Virgil were brought to life again by the Latin Club. With the inspiration of great Roman leaders and writers, the students of Latin made a greater effort to carry out the ideals of the organization.

The students wished to create an active interest in the study of Latin and to bring about a more complete understanding of Roman people and their customs.

The programs were varied with debates, plays and papers so as to interest a greater number of Latin followers.

The club consisted of sophomores, juniors and seniors studying Latin at this time.

At an informal tea last September, the sophomores were admitted to membership in the club.

The success of the Latin Club should rightfully be attributed to the interest and help of Mrs. Lazier and Miss Wienman.

The officers were:

LUCY LAWTON	President
JEAN BOVEY	Vice-President
ROBERT EVANS	Secretary-Treasurer

Parlez-vous Francais mademoiselle et monsieur? If you do you should join the French Club.

This organization was established several years ago by a French II class with the promotion of understanding of the French language and customs as their goal.

An effort is made to achieve a truly French atmosphere and back-ground through the programs which include French plays and papers. Thus the students are able to grasp with a greater comprehension the spirit of French customs and life.

French I and II classes are eligible for membership. Early in the year the juniors were invited to become members of the organization at an informal social program.

Mrs. Lazier's deep insight into the subject and her actual experience with the French people make her of valuable assistance to the club.

The officers were:

LUCY LAWTON	President
BETTY LAZIER	Vice-President
VIRGINIA VAN BIBBER	Secretary-Treasurer

CIVICS PROJECT

This year the seniors in the Civics classes conducted an unusually arduous campaign in their project for running the city government for one day. The campaign was accompanied by all the devices which aid the most prominent

politicians. The officers elected were Francis Henry, Mayor; Albert Kennedy, Fred Padgett, James Withers, and Lloyd Muzzey, commissioners; and Junior Blimling, Police Magistrate.

BOY'S ATHLETIC "D" CLUB

This year a new club was organized for the athletes of Dixon High School. It had for its objective promotion of a high standard of fellowship among boys engaged in sports. Since there was no club heretofore organized

primarily for lettermen, this organization filled a long felt need. It was originally promoted and later headed by Francis Henry, one of Dixon's outstanding athletes.

we've been going to school together a long time and back

*Good Luck
Boys "D" Club
3:30*

The juniors and seniors of this year went under the guidance of a new Constitution which was drawn up by an appointed committee. Many new articles were added to the usual ones providing for membership, offices, finances, and reports.

The plan of this organization was to co-ordinate all of the dramatic activities of the school in such a way that the junior and senior class plays were given under the direction of the Dramatic Club including the cast and production staffs. The classes sponsored their plays and did their part in making them a success. Various production given during the course of the year, were to further the knowledge of acting, prepare members for the major productions, and bring out the talent which the members possessed in the particular line in which they specialized. In regard to finances, the constitution stated that from the junior and senior class plays the classes were to receive 75% of the net proceeds of the production for the use of the class. The rest was to go to the Club to use for stage equipment and expenditures necessary to carry on the work of the organization.

The programs presented by the members of the Club were of interesting nature. The first of these was a series of pantomimes representing the happenings in a high school student's life. Several programs dealt with the art of make-up. In line with this a few girls demonstrated their talent in making up old age types.

From the "Theatre Arts Monthly" various reviews of plays and motion pictures were given. Mr. Frazer gave a very realistic reading of the play, "The Valiant," in one of the programs.

Effectiveness of furniture and characters on the stage was explained by a junior member and the well-known Miss Barton spoke of the Japanese and Chinese theatres.

To complete the programs an entirely new type of entertainment was arranged. A radio play was given in which the actors voices only were heard to represent a play being broadcast over the radio in a home. The theme of the play was interesting to all members, in that it dealt with a portion of the life of Lord Byron.

The Dramatic Club Make-up Squad was created this year with the help of Miss Guernsey. This group had charge of the making up of the casts of the plays.

With the clearing of the storm, all quarrelling stops, and it is obvious that happy days are in store again for Nick Bolton.

"PEG O' MY HEART"

A three act comedy of youth by J. Hartley Manners was sponsored by the Junior class, February 16 and 17. In "Peg O' My Heart" experiments with new lighting effects produced the realism, and combined with an able director and excellent cast, the play was, without doubt, one of the greatest successes of the past several seasons in amateur acting in the Dixon High School.

Characters in the comedy:

Mrs. Chichester	Lorraine Hull
Footman (Jarvis)	Eugene Gronewold
Ethel, Mrs. Chichester's daughter,	Ruth Bartholomew
Alaric, Mrs. Chichester's son	Lyle Snader
Christian Brent	Paul Flamm

Lighting	Harry Lazier, Gilbert Stansell
Make-Up	Dramatic Club Make-Up Squad

Scenes of the comedy:

Act I—The Coming of Peg

Act II—The Rebellion of Peg

Act III—Peg O' My Heart

The entire action of the comedy passes at Regal Villa, Mrs. Chichester's house in Scarborough in early summer.

One month elapses between Act I and II.

A single night passes between Act II and III.

The Chichesters, an English family, find themselves in rather desperate circumstances when they learn that the bank holding the family resources has closed. While they are trying to solve their problem, a lawyer brings them good news which puts a ray of hope on the matter. He tells them of the death of Mrs. Chichester's brother who had been living in New York. A provision of his will states that if Mrs. Chichester will educate the daughter of her sister, who disgraced the family by running off with a no-account, they will receive one thousand pounds. Rather than to be left with nothing, Mrs. Chichester agrees to abide by the will.

Thus Peg, not knowing under what circumstances she is being taken into the home, comes from New York to England. Of course, the Chichesters treat her as a nobody, and many complications arise with her temper. To make a lady of Peg seems almost impossible to Mrs. Chichester and Ethel, so they persuade Alaric to propose to her. Peg doesn't love him so she refuses.

Jerry who is the executor of the estate of Peg's uncle visits Regal Villa frequently, and a romance develops between Peg and Jerry.

As Peg's father would say: 'Sure there's nothing half so sweet in life as love's young dream.'

THE MOUND BUILDERS

The "Mound Builders"—an Indian cantata by Paul Bliss, was presented by the Junior-Senior Glee Clubs, Friday March 16, in the gymnasium.

The gym was artistically decorated with Indian blankets, do-do birds, totem poles, and totems, creating an Indian atmosphere. Much credit should be given to William Pontius for this very pleasing effect.

The members of the chorus were very strikingly dressed in costumes of orange and black. With feathers in their headbands and fringed trimmings they bore much resemblance to their Indian predecessors. These costumes were designed and made by Genevieve Stiles and Betty Nichols under the helpful leadership of Miss Guernsey.

Various colored lights were thrown upon the chorus during the production. Gilbert Stansell and Harry Lazier were the electricians.

The cantata opened with the Indian braves starting on a deer hunt expedition at sun-rise.

During their absence the women continued the mound building. They became weary at noon and rested, watching an eagle in his flight. The deer hunters returned empty-handed and the women went down to the stream for water to refresh the weary warriors. During their absence the camp was attacked and the foes attempted to capture the water carriers. They were driven off and the water carriers returned. As evening came the notes of a flute were heard and then all sang a serenade as night fell.

Woven into the music of the cantata was a flute solo by Theodore Stansell, a vocal solo by Winnifred Rawls, and a trio by Betty Nichols, Winnifred Rawls, and Genevieve Reitzell, accompanied by Jewel Auman on the violin.

This new type of entertainment was a huge success under the efficient supervision of Miss Lawson, with Alice Street as pianist and Mr. Westgore as director of the school orchestra.

ATHLETICS

*First Row—BOWERS, LINDELL, SHARPE.
Second Row—BARNHART, YOUNG.*

COACHES AND MANAGERS

A. C. BOWERS

Mr. Bowers, the friend of everyone is best known as the master of ceremonies at all pep meetings and Director of Athletics. For many years he has very capably coached the track team to victories and watched over the inter-class basketball league, better known as the "Fowl" League. At the head of the Athletic Department he has managed all sports with fine ability and we have always come out in the lead.

Everyone who has known Mr. Bowers in his classroom or on the athletic field will agree that he is a grand "old" fellow and wish him lots of luck.

L. E. SHARPE

Mr. Sharpe, at the end of his fifth year of coaching football and basketball, has gained fellowship and kindness of the entire student body. Under his guiding hand and watchful eye he brought an honor to Dixon High that never before was gained: namely, "The District Championship." Mr. Sharpe has worked hard with the boys and has built up a character of such fine quality that everyone joins in wishing him good luck and more champions in future years.

C. B. LINDELL

Five years ago Mr. Lindell came to Dixon as football coach and assistant basketball coach where he began to turn out championship teams. Although we didn't win every game this year we feel that we have had a successful season. Under the guidance of Mr. Lindell the boys have found that the coach is not merely someone to tell them what to do but that he is really the backbone of the team and by knowing this they are able to gain more victories. Everyone gives his support and confidence to Mr. Lindell for further victories.

MANAGERS

In Kenneth Barnhart and Paul Young, Dixon High was fortunate in securing two fine managers. These boys have worked hard through football and basketball season and have been faithful to the team no matter whether it was victory or defeat. We only hope that in future years Dixon will always be able to find two boys of their quality to serve in this position.

FOOTBALL SQUAD

One hot afternoon last September about seventy-five eager boys jammed the doors of the dressing rooms—it was the first day of football practice. Out of this group there were but two former heavyweight lettermen and seven lightweight lettermen. The coaches weren't the least bit dismayed by this fact, however, as they immediately set out to round out a formidable team.

With Co-Captains Henry and Kennedy, Coach Lindell paired Withers and Underwood. This quartet proved to be a smooth functioning backfield.

After having developed a stellar group of backs the coaches were confronted with the task of forming an entire line. As there were only five experienced linemen available, at least two positions had to be filled by recruits.

Mossholder, a two hundred and twenty pound center, was the unanimous choice for the pivot position.

The guard positions were occupied by two juniors, Barnhart and Reese.

Knapp a senior, and Crutoff, a freshman, held down the tackle berths.

The lineup was completed, with Bellows, a senior, and Miller a freshman, at the wing positions.

The outstanding characteristics of the 1933 football squad were the determination of every player and the willingness to co-operate by keeping strict training rules.

Only one or two positions on the team were assured, as there was a wealth of substitutes who could have won a first team position. This forced the regulars to do their best at all times.

Players who were awarded heavyweight letters were: Captain, Francis Henry; Captain, Albert Kennedy; Lyle Bellows, Delbert Knapp, Kenneth Reese, Robert Mossholder, Donald Barnhart, Gerald Crutoff, Lloyd Miller, James Withers, Robert Underwood, Donald Miller,

William Flanigan, Lloyd Muzzey, James Ramsey, Marvin Rebuck, and Walter Minnihan.

The results of the 1933 season were:

Dixon	0	Rock Falls	19
Dixon	6	Amboy	7
Dixon	30	Rochelle	12
Dixon	12	Sterling	19
Dixon	14	Belvidere	2
Dixon	7	Mendota	7
Dixon	14	DeKalb	0
Dixon	12	Alumni	0
Dixon	0	Sterling	15

BASKETBALL SQUAD

Prospects for a championship basketball team were very bright at the beginning of the season. Four of last year's heavyweights returned as did seven lightweights. The returning heavyweights were co-Captains Hasselburg and Bellows, and Henry and Underwood. There were also two or three freshmen and a number of experienced players who looked very good.

With a few breaks this team would have won the Conference. However, luck was against them from the very start. Henry received an injury in football which kept him out of the lineup for six weeks. With Henry out of the game the boys didn't click as they should.

Dixon lost the first two games by two points each. Rock Falls eked out a victory,

21 to 19, while Mendota squeezed out a 27 to 25 win.

The boys came to life after the first two games and trounced Mt. Morris on the home floor 30 to 28 after two overtime periods.

The early games in which Dixon participated were all tight contests and it was evident in these battles that each team had a good and a poor half.

One of the good characteristics of the team was that they possessed the power to forget a defeat and not grow too confident over a victory.

When Henry was able to play again, the team picked up immediately and the necessary scoring power was evident in all the games.

Although the 1933-34 team had only a mediocre season, they played remarkable basketball in the District Tournament. Their passing was excellent and they made a large percentage of their shots. Bellows, Henry, and Underwood were chosen on the All-Tournament team.

The members of this outstanding Dixon team are to be congratulated as their team was the first Dixon team that ever won the District Tournament.

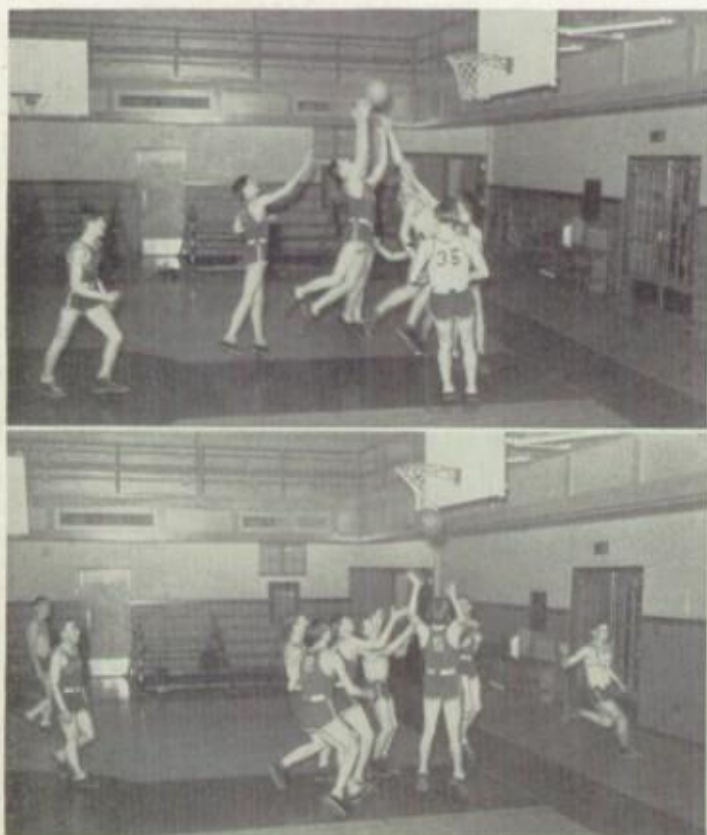

Dixon coasted through the first two games in the tournament, beating Erie 31 to 24 and Walnut 43 to 22. For the third game Dixon was paired against their keenest rivals, Sterling. The Purple and White swamped Sterling 26 to 14 amid much enthusiasm displayed by both Dixon and Sterling fans. Dixon met Rock Falls in the finals and avenged their former defeats by outscoring them 21 to 19.

Having won the much coveted championship, Dixon entered the sectional tournament at DeKalb, but were eliminated by Huntley in a close game, 26 to 21.

The players on the Dixon District Champions were: Co-Captains Bellows and Hasselburg, Henry, Underwood, Rebuck, Flanigan, Durkes, Grove, Ramsey and Cinnamon.

TRACK SQUAD

In order to maintain the high standard of efficiency which has been a quality of the Dixon track teams for the past two years the 1934 team had to win most of its meets. The members of the present team were determined to accomplish this task and made a good start by swamping Franklin Grove, Rock Falls, and Mendota in the first three meets.

A successful track team must not be composed of one or two stars but a group of outstanding men in each event. The Dixon team boasts of such an advantage as it possesses at least two excellent performers in each of the events.

Early this spring approximately fifty boys reported for track. Included in this group were eight lettermen from the previous season. With the following veterans it is little wonder that they are expected to repeat their feats of the last two years in winning the Conference Meet.

PADGETT, a veteran miler who to date has won three letters in his favorite sport.

FLANINGAM, an outstanding performer in the dashes and broad jump.

HENRY, who placed first in the pole vault at the 1933 Conference Meet.

STAHL, a 440 man who was a favorite in all races.

UNDERWOOD, an all around man, starred in the broad jump, javelin, and pole vault.

SNADER, a dependable man in the dashes.

FANE, a distance man who shows great promise.

THOMPSON, a sophomore who was a star in the dashes. He is expected to be a flash in years to come.

Besides this array of stars there are eight or ten coming stars who will without a doubt hold down a berth on the regular squad. The most outstanding recruits who have already proved their ability are:

A. Kennedy, L. Miller, D. Miller, and Mossholder in the weights.

William Flanagan, Klein, Stansell, Schumm, and McMillion in the hurdles.

D. Warner, Salzman, and Crutoff in the distances.

Reis and Rebuck in the high jump.

This group of able performers combined with the experienced lettermen forms the nucleus for a well-balanced track team.

Bottom—HENRY CLEARS THE BAR IN THE POLE VAULT.

GIRLS' GYM CLASS

The girls' gym class, directed by Miss Cleta White, who was assisted by two Senior girls, Alice Street and Anna Malarkey, met every Tuesday and Friday after school. This year the class consisted of about fifty girls.

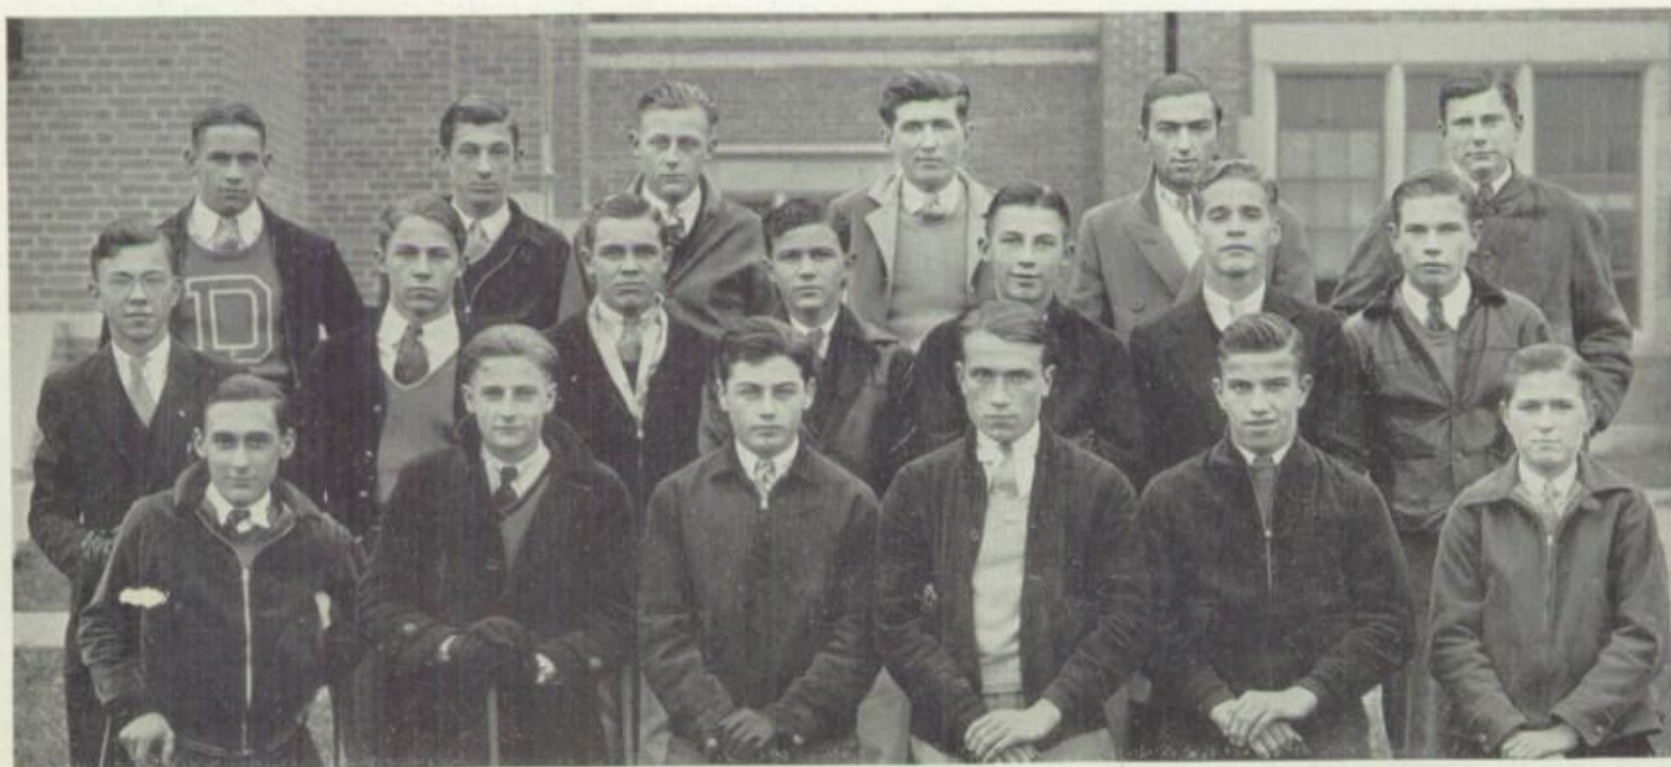

The first part of the period was spent in drill after which basketball, tennis, baseball, volleyball, hitpin baseball and other games were enjoyed.

GOLF SQUAD

Organized for but two seasons, the golf team placed high in the conference tournament its first year, and carried off top honors in its second. The championship team was composed of Lazier, Longman, Durkes, and

Martin, all of whom received letters.

With all the team members returning and many able substitutes turning out, the golf squad will have ample material for the nine meets scheduled for this season.

THE VALUE OF A BANK

DIXON NATIONAL BANK

There is no lonesomeness like that which comes with the realization that one belongs—nowhere. Home is a quickening word—a magic place. Those whom we trust, even if we break faith, are there! Those who continue to love us when we are indifferent—are there! There, too, are those who forgive, protect and help when others fail. Having a home to go from and return to gives meaning to one's life.

Home is not only an ideal—it is a brick, stone, or lumber structure wherein dwell real flesh and blood people. Around it are other homes, each meaning to someone what yours means to you.

SUCH IS A COMMUNITY!

In such a community are enshrined most of one's childhood dreams, budding ambitions, and happy outlooks.

Homes return rich dividends when we put our best into them. So do communities! Homes are quickly wrecked by selfishness. So are communities! Homes become glorious centers of happiness when loyalty and mutual helpfulness are within. So do communities!

Private citizens, business and professional men who have lived a life and invested all their material goods in a community are certainly more sympathetically interested in the good of that community and its people than any individual from another community. Business and professional men in our community feel that when charity, endeavor, sacrifice or loyalty is required of them, it should be used in our community for our people.

In our struggle for recovery suppose we were to try a new policy for a year, that is, if it seems a fair and sensible one. Here it is:

“Since this is our home, let's be interested in its success. First, let us try to find the multitude of good things and good people in our community and think and talk of them; and let outsiders broadcast the unlovely things. Let's resolve to give our support to our home institutions and enterprises.”

Let us try, since it is common sense, to put our best into that which returns most. Every good word, every boost, every transaction within the community does just that much to make it a better community. Since we expect our community to be more interested in us than in outsiders, we should be willing to put more into it, not only for its sake but for our own sake; remembering that the conditions which produce a good home will also produce a wonderful community.

ASK ONE HUNDRED MEN THIS QUESTION:

Would you like a home of your own? At least ninety-nine would answer, "Why, certainly!"

Why is it that practically every normal human being dreams of, plans for, and tries to acquire a home? Because, there are enshrined all things nearest and dearest to him; because, there he amounts to something; because, there his sense of well being is fed through being in the center of something which has been created from his toil, self sacrifice, and foresight. In his home there is security.

Our civilization is built around this love for and faith in the home. Men will always plan for and struggle to buy a home. They will make heroic sacrifices to keep it in time of trouble. The home is America's best investment. The Building and Loan is a plan to help the good citizen to realize, comparatively early in life, this greatest of ambitions. It does more, it enables him to enjoy his home even while he is saving to pay for it.

Sound loans on homes constitute a distinct community service. They are first mortgages on the honor and ambition of the best citizens. They are as secure as the foundations of our civilization. For these reasons, money invested in Building Loan Stock constitutes a safe, fruitful and creative investment. It would be a pleasure to explain the functioning of the Building Loan. We invite you to ask.
